

Protection Prayer for the Empathically Gifted

Lord, I pray to receive your love and empathy for others as you want me to see and pray for them. Please give me the strength to be bold and courageous. Let the empathic gifting you have given me serve to restore, reflect, and reunite the lost as they are brought to me, so I may glorify your name. Allow me to see others as you see them. Let me know of their emotions and feelings in the spirit and not allow them to manifest in or on me physically. I ask for your surrounding protection from the entanglement of the enemy.

Lord, I ask you to take any unclean or foul spirits away, and I command in the name of Jesus Christ of Nazareth, Son of the Living God, anything attacking, thwarting, and squatting, including unclean emotions or ill feelings to go South and East out of my spiritual territory. Lord I ask that you release the Blood of the Lamb to cleanse my surroundings and release the Oil of the Holy Spirit to saturate to wherever I enter.

I thank you, Lord, as my protector, confidant and guiding lamp out of darkness.

Amen.
