## Room Cleaning Prayer

Use this prayer to spiritually clean out every floor of a home, every room in an apartment, home, a hotel room, or space you are residing. Remember to include: closets, attics, garages, basement, storage rooms, garage attics, outdoor sheds/barns, & dog houses, etc.

**Step 1.** Obtain a document that proves you have ownership of the property you own or rent. This can be a deed to the property, mortgage document or rental agreement. The document should be something that has your name and proof of ownership showing you as *legal owner* of the property ongoing or for a period of time (ex. vacation rental)

**Step 2.** Show the room/space rented or owned that you have legal right over the domain by literally holding up the document of ownership and pointing to your name on it (just as if somebody would be standing in front of you).

**Step 3.** Announce who you are: "I am (first and last name) \_\_\_\_\_, and I am the *legal owner* of this property \_\_\_\_\_". Example: 1234 Main St, City, State and Zipcode. If this is a temporary space, you could also include the specific dates you will be in this living space.

Then say in a calm but firm voice: "I command anything unclean or foul in this room to leave in the name of Jesus Christ of Nazareth, Son of the Living God. And I loose the Blood of the Lamb to cleanse this area and the Oil of the Holy Spirit to saturate it fully. We are the rightful owners, *this our domain*, this is our property and *you have no legal right* to be here. You must leave our property, *now*, and I command you to go South and East out of our spiritual territory, far away from here. Warrior Angels root out anything unclean and take them away from here in the Name of Jesus Christ of Nazareth. "
