

## Spiritual Cleansing Prayer for Others ('Dry Cleaning Prayer')

When praying for someone other than yourself, you will want to first, obtain spiritual authority to pray over the person. Simply ask, "Do I have spiritual legal authority to pray over you?" They must reply and say "yes" before proceeding. This step is not needed for people you have implied authority over, such as your spouse and children.

Next, declare out loud over the person being prayed:

"This is my (spouse, friend, wife, husband, son, daughter), \_\_\_\_\_  
(name of the person). They are the worshiper of the Son of The Living God, Jesus Christ, he/she is the *legal owner, and has legal domain over himself/herself.*

Say the following, "I \_\_\_\_\_ (your name) has been granted spiritual-legal authority to pray over \_\_\_\_\_ (name of the person) and command anything unclean or foul or not of God to leave \_\_\_\_\_ (name of the person being prayed for), not in my name but in the name of Jesus Christ of Nazareth, Son of the Living God, the one who was declared Messiah because of his authority over demons. And we loose the blood of the lamb to cleanse and saturate him/her with oil of the Holy Spirit. He/She is the rightful owner to themselves and *their domain*, and *you have no legal right or domain over* \_\_\_\_\_ (name of the person). You must leave **now**, and I command you to go South and East out of our spiritual territory. Warrior angels take them far away from here."

## Spiritual Cleansing Prayer for Yourself ('Dry Cleaning Prayer')

Declare out loud:

"I am the worshiper of Jesus Christ, Son of The Living God, and I am the *legal owner of myself and I have domain over myself.* I command anything unclean or foul or not-of-God to leave me, in the name of Jesus Christ of Nazareth, Son of the Living God, the one who was declared Messiah because of his authority over demons. I loose the Blood of the Lamb to cleanse and saturate myself with the Oil of the Holy Spirit. I am the rightful owner to myself and *this is my domain*, and *you have no legal right or domain over me.* You *must* leave, **now**, and command you to go South and East out of our spiritual territory, warrior angels take them far away from here."
